

ISPE Northern Chapter

Tuesday, March 23, 2021 - 11:30 am – 12:30 pm Pacific Time, 12:30 – 1:30 Mountain Time

Presenter: Ryan Lewis, P.E.

Topic: Contract Review 101 for Engineers (1 PDH)

Engineers are typically not lawyers. However, that does not stop engineers from reviewing and signing contracts full of complicated legal jargon. Contracts establish an agreement for services that are enforceable or recognizable by law and should not be entered into lightly. This presentation covers the basics of reviewing engineering contracts and key contract clauses that are often misunderstood.
